

1/26/22

Dear Etiwanda Colleagues,

This week the negotiation teams for the Etiwanda Teachers Association and the Etiwanda School District met to begin the negotiation process for the 2021-22 school year. There was valuable information shared by both parties in the opening proposals. ETA and the District look forward to further dialogue next week as we continue to engage in the negotiating process.

Respectfully,

Joey Farr / Mark Gossage

Laura Rowland
