## 2011-12 Voluntary Contribution Change Form

### Choosing to Make a Difference

**Working to promote policies to improve public education, such as promoting strength-based teacher-driven change, more funding for our public schools and smaller class sizes, as well as fighting back attacks on education, teachers and other education professionals is always a top priority for CTA.**

This year alone, we are fighting to fix the broken political system in Sacramento so our students can get the resources they need, and we are working to erase the punitive provisions of the No Child Left Behind Act.

In an effort to continue successfully fighting such attacks, CTA is asking members for a voluntary contribution of \$20 a year to help fund CTA advocacy efforts and to support the CTA Foundation for Teaching and Learning. (See back for a listing of Advocacy and CTA Foundation Activity.) This foundation will promote teacher-driven solutions to improve public schools through the CTA Institute for Teaching. It will also support CTA's scholarship and grant program for members, their dependents and students.

**The reverse-checkoff contribution is voluntary and flexible.** Members are automatically enrolled in the default allocation of \$15 to support CTA advocacy efforts and \$5 to the CTA Foundation for Teaching and Learning. But no one is required to contribute and members have many contribution options. Please use the form below if you would like to make a change. **There is NO NEED to complete and return this form if you want to keep the same contribution as last year.**
